

DRIBL

Recap – Workshop 1

Registrations

Consume registrations from Dribl registrations module or through 3rd party registration systems (ie Play Football).

Members and Member Activate

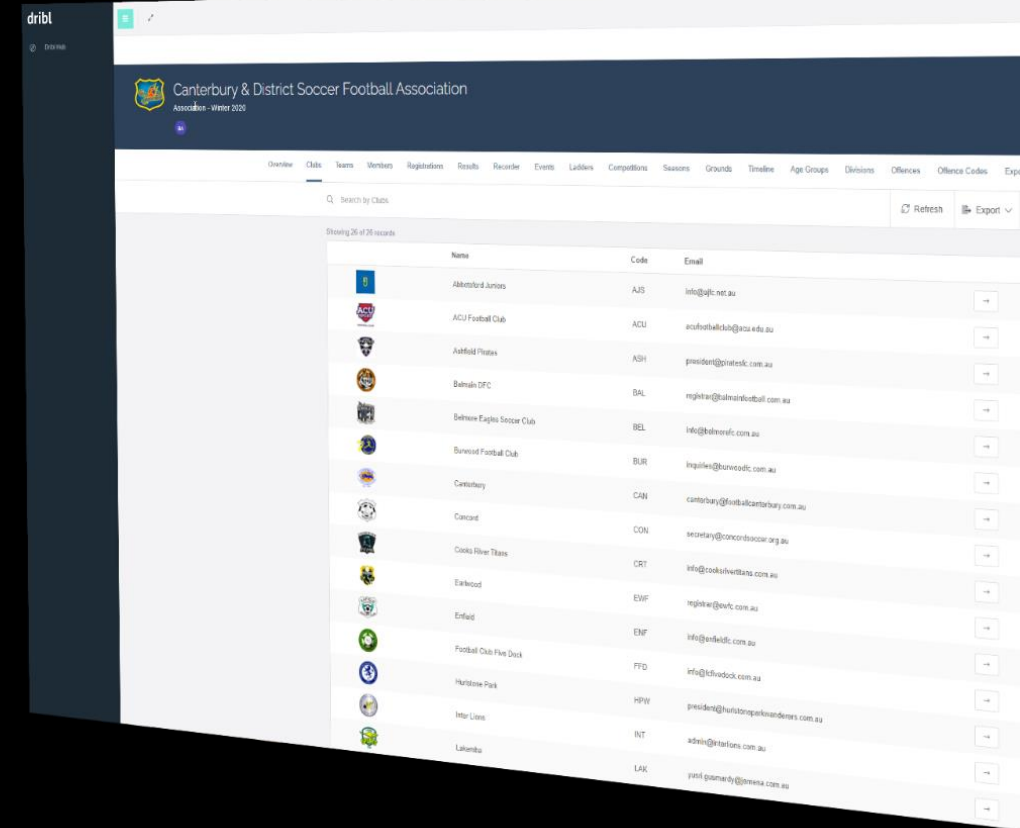

Approval of registrations allows for the creation of members into the club for the season and club administrators activating members to login to Dribl

Teams

Competition or club administrators create teams

Team Mapping

Club Administrators map member to their appropriate teams

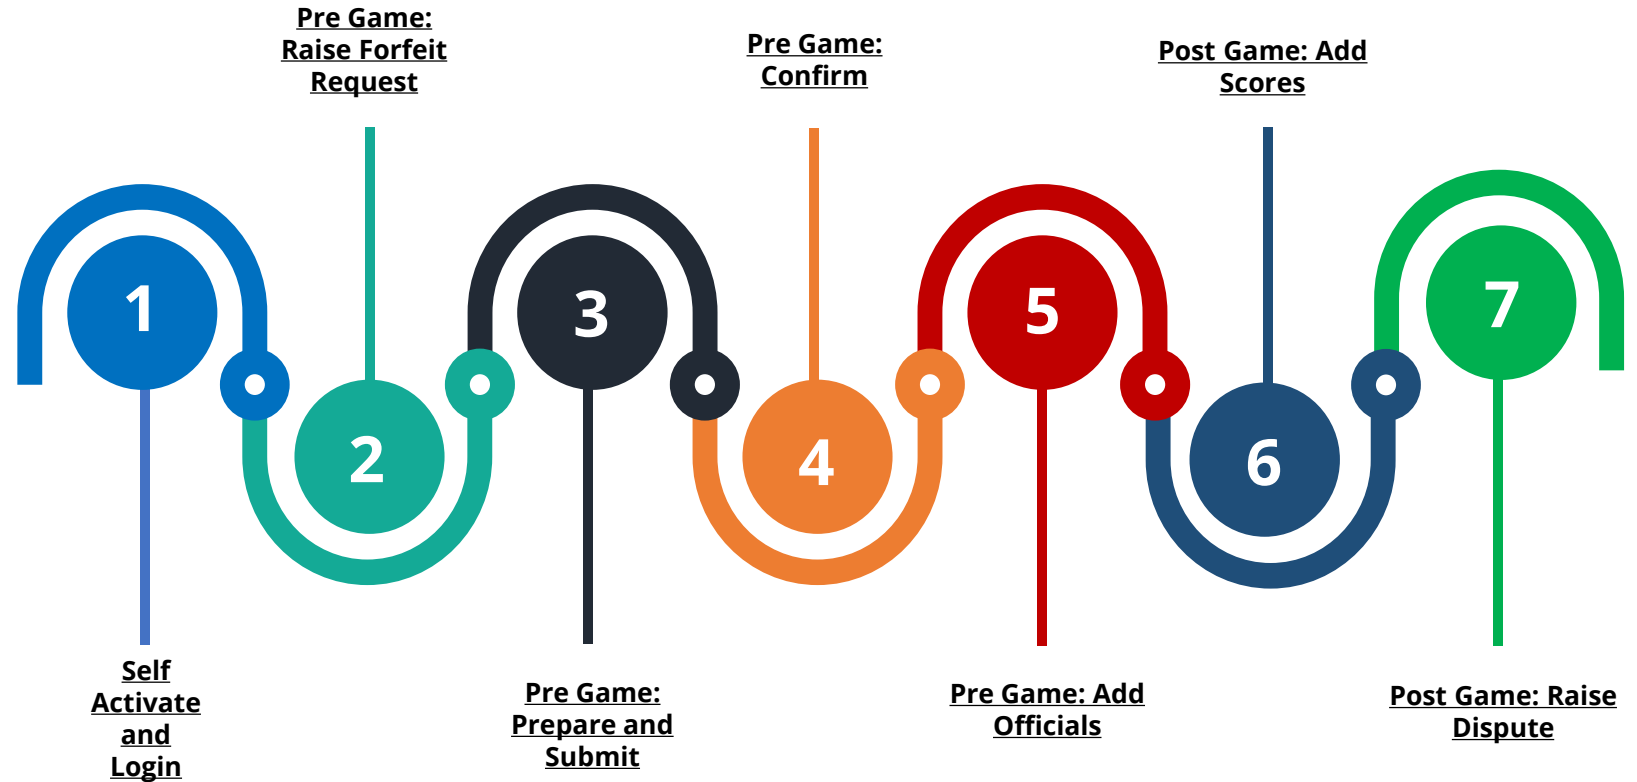

The screenshot displays the Dribl web application interface for the Canterbury & District Soccer Football Association. The page shows a navigation menu with options like Overview, Clubs, Teams, Venues, Registrations, Results, Roster, Events, Ladders, Competitions, Seasons, Grounds, Timetable, Age Groups, Divisions, Offices, and Offence Codes. Below the navigation, there is a search bar and a table listing clubs. The table has columns for Name, Code, and Email, and includes a refresh and export button.
